

# Why Brokers choose

1

## Because ICHRASystems was Built for Brokers!

ICHRASystems allows brokers to keep AOR, so not only do you keep your clients, you keep all commissions. Plus, you get paid an additional agent fee of your choosing!

2

## Highly Functioning Portal

Quotes all Colorado plans. Analyzes / quotes Marketplace tax credit plans for those who qualify. Easy employee enrollment. 2-click renewal analysis, with next year's rates out very early. Generates compliance and payroll integration reports. COBRA administration and Gov't reporting functions included.

3

## Cost effective

\$15/Active Employee/month plus Broker or Referrer Fee. No minimum monthly charge. Broker chooses any fee they want.

4

## Advanced Features

Makes brokers look like heros with savings on Medicare employees, options for unaffordable employees to get C4 tax credit plan, ALE penalty calculations and savings analysis. Savings in the 40%-50% range for some groups.

5

## Excellent Support and Training

Anytime you need assistance or have questions on anything you can call ICHRASystems and they will work hard to provide whatever assistance you need. They are local for Colorado brokers.
